HOME HEALTH & HOSPICE CARE

Visiting Nurse & Hospice of Fairfield County is a non-profit agency that touches the lives of those in need with skilled nursing, rehabilitation, support services, health education, community wellness programs and compassionate hospice care.

Our highly skilled team includes healthcare professionals, para-professionals and volunteers. We are concerned with total family health and our dedicated caregivers will work closely with you, your family and your physician, to customize a plan of care designed to meet your individual needs.

Ours is a Medicare-certified, state-licensed home health and hospice agency. We are accredited by the Community Health Accreditation Program (CHAP) and a member of the Visiting Nurse Association of New England (VNANE). We are an approved and preferred provider for many major health insurance and managed care companies as well as healthcare and eldercare facilities.

HOSPICE SERVICES

Visiting Nurse & Hospice of Fairfield County provides quality end-of-life care to patients and their families in the communities we serve.

Our caring and compassionate professionals focus on relieving physical and emotional pain so that patients can spend precious time with family and friends in comfort with peace and dignity. We also help families cope with emotional, spiritual and medical issues while caring for a loved one.

We recognize that when one person is ill, the whole family is affected. Visiting Nurse & Hospice of Fairfield County is concerned with the needs of the entire family and assists individuals and their loved ones through the various stages of end-of-life care.

Services are available 24 hours a day, seven days a week and can be provided in the home, in a skilled nursing or assisted living facility or in a hospital setting.

You can arrange to receive our hospice care services through your physician, hospital, clergy, clinic, nursing home, assisted living facility or social service agency. Or you are welcome to call us directly at 1-800-898-HOME.

Our Life Focus program is designed for those with a serious illness who are actively pursuing curative treatment such as chemotherapy. Our compassionate, interdisciplinary team specializes in palliative care and helps patients regain strength through physical, emotional and spiritual care at home.

FREQUENTLY ASKED QUESTIONS

Are the services of Visiting Nurse & Hospice of Fairfield County available in my town?

We serve the communities of Darien, Easton, Fairfield, New Canaan, Norwalk, Redding, Ridgefield, Southport, Stamford, Weston, Westport and Wilton.

What kinds of services are available at home?

Our team of home care specialists includes registered nurses, physical therapists, occupational therapists, speech therapists, medical social workers, homemakers/home health aides and volunteers.

We can also arrange for medical equipment and medical supplies that may be needed for treatment and comfort.

We also provide Home Telehealth, a special technology which enables patients to engage in real-time, two-way access to our nurses from home through an easy-to-use computer based system.

We also provide compassionate hospice care when treatment or cure is no longer a goal.

What are your hours of operation?

Services are available 24 hours a day, seven days a week.

How can I arrange to receive home care services?

You can be referred for home care by your physician or hospital, from a clinic or social service agency, the clergy or a nursing home. You can also call us directly at 203-762-8958 or 1-800-898-HOME.

Are you a private agency or a public service?

Visiting Nurse & Hospice of Fairfield County is a non-profit, licensed home health and hospice organization that was founded by community members more than 85 years ago.

Does insurance pay for home care?

Many insurances pay for home care. Medicare will most often cover fees. Services can also be paid for privately. Our staff will work with you to answer all your payment questions.

Does Visiting Nurse & Hospice of Fairfield County accept donations?

All donations to Visiting Nurse & Hospice of Fairfield County are gratefully accepted. This can be a meaningful way to memorialize a friend or loved one who has died or to honor someone special in your life. All donations are tax deductible.

Our services are available 24 hours a day, seven days a week.
