

BE A PEER COUNSELOR

Do you have one hour a week to volunteer?

Visiting Nurse & Hospice of Fairfield County is seeking volunteer Peer Counselors to provide companionship to isolated and homebound patients. As a volunteer Peer Counselor, you will visit a patient for one hour every week or every other week. Patients who are referred to this program have requested volunteer visitors and many live alone, are ill or disabled, need emotional support or just wish to share interests and develop new friendships. Please help keep these patients connected to their community. This opportunity is ideal for those who wish to volunteer but who may be busy working or traveling.

Volunteers are required to attend a three-session training course and are provided with ongoing support and supervision by the Volunteer Coordinator.

September 22nd, 29th and October 6th
